NOAA Ocean Acidification Program
Community Meeting

January 4-6, 2023

San Diego, California

Meeting goals:

- Shape the future strategic direction of the OAP
- Inform community members of recent OAP-supported efforts
- Foster collaborations within the OA research community
- Identify critical research gaps and efforts to address them
- Highlight and discuss diversity, equity, inclusion, accessibility, and justice in OA research and our community

NOAA OCEAN ACIDIFICATION PROGRAM
