

Bureau of Reclamation Native American Affairs Technical Assistance Program (NAA TAP)

- Provides technical assistance to assist Indian Tribes to develop, manage, and protect their water and related resources
 - Direct technical assistance builds relationships, trust, and demonstrates our commitments to Tribes in implementing this and other programs
 - Conduct in-person outreach sessions with various tribal staff about grant funding or other topics.
 - Grants to Tribes for projects
 - No cost share
 - Can be up to \$400,000
 - Yearly postings on [Grants.gov](https://www.Grants.gov)
